Date:

Parents,

Parking issues continue to burden Lucan schools, as a result Lucan Gardai will be clamping down on all driving offences during school drop offs.

If parents continue to ignore Road Traffic Laws such as parking;

- **on double yellow lines,**
- **on a cycle track,**
- **within 5m of road junction,**
- **at continuous white line,**
- **obstructing a driveway etc...**

You will receive a Fixed Charge penalty notice fine €40 if paid within 28 days, €60 outside 28 days and unpaid a court summons will be issued. A ticket will not be placed on your vehicle at the time of the offence; you will receive a fine in the post in due course.

Parents, traffic parking restrictions are placed at schools for the safety of **YOUR** children. Disobeying these laws puts every child in serious danger. Please be vigilant at school drop off and pick up times. It just takes a split second!!!!!!

Regards,

_____, Garda
(NOELLE DUNNING)
